The training will be a combination of theory with numerous practical exercises. The topics to be covered include:

- Introduction to the Horizon Europe Rules of Participation
- Basic steps in participant portal
- Work programme and how to identify important points
- Partner search
- Proposal template
- Proposal evaluation criteria
- How to write the impact section?
- How to foresee risks during the project lifetime? How is risk management evaluated?

The Workshop will also include some motivating surprises and will conclude with a general revision of the material that the participants will work with during the day.

TRAINERS:

- Ms. Mari Habicht, NCP of Estonia
- Ms. Camille Dehestru, NCP Brussels (Belgium)
- Ms. Kolbrún Bjargmundsdóttir, NCP of Iceland

WORKING LANGUAGE:

English

TARGET AUDIENCE:

The Workshop is addressed to potential Cluster 5 applicants with no or limited experience in participating in Horizon Europe proposals, from all types of organizations (universities, research organizations, local authorities, enterprises, including SMEs, etc.).

REGISTRATIONS:

If you are interested to participate in the Workshop, please fill in the online [registration form, here, until June 16, 2023.](#)

In case the interest for participation in the workshop is greater than the available seats (+/-30), the participants will be selected based on the relevance of their organisation's activities with Cluster 5 activities. An effort will be made to select participants from different types of organizations.

The participation in the workshop is free of charge, since the costs will be covered by EC via the GREENET project.

GREENET:

[GREENET](#) is the international network of the Cluster 5 NCPs of the Horizon Europe Framework Programme for Research and Innovation. The aim of GREENET is to enhance the cooperation between Cluster 5 NCPs while improving the standard of support provided to Horizon Europe applicants by raising awareness of related funding opportunities, organising training and matchmaking events and increasing inclusiveness of international consortiums.

You can subscribe to the GREENET's newsletter and stay updated on matters related to Horizon Europe Cluster 5, [here](#).
